BUSY DAY ON WATER FRONT

HOME RULERS ARE WORKING QUIETLY

THEIR HEADQUARTERS ARE PRESENTING A VERY BUSY APPEARANCE—WORKING QUIETLY.

During all the time that the Republicans and Democrats are making such a hue and cry over the campaign the Home Rulers are working quietly and according to themselves they are working very effectively. Nothing in the nature of big rallies are being held but an individual campaign is being carried on and every Home Ruler is an orator as much as those who are running for office.

The Home Rule headquarters present a very busy appearance. Even more so than those of the other parties. There is always between twenty and thirty natives about talking politics.

There seems to be but little doubt in the minds of the Home Rulers but that Nottley will be elected for delegate. They claim that the big island and Kauai are solid for him and that he cannot be defeated. They further claim that Nottley will poll as large a vote on this island as McClanahan but they concede the election to Kuhl as far as Oahu is concerned.

McCLANAHAN DIDN'T WIN THEM

PLANTERS' ASSOCIATION UNCOMMITTED AND ALEXANDER AND BALDWIN FOR KUHIO.

The Planters' Association and E. B. McClanahan had a discussion the day before yesterday at which McClanahan attempted to convince the members of the association that they should support him, on the Cuban annexation issue. There was a debate in which E. D. Tenny and McClanahan were opposed by J. P. Cooke and W. O. Smith, who both urged the support of Kuhl. It is understood that no action was taken, but the members of the association are apparently pledged to secrecy.

"I want to say that as far as Alexander & Baldwin are concerned," said J. P. Cooke, when seen on the subject, "we are supporting Kuhl unqualifiedly. We believe that he has done splendid work for the islands in Washington and that he can do more."
